PLAYFAIR 2012

As London 2012 fast approaches, the Playfair 2012 campaign is stepping up pressure on the sportswear industry and Olympic movement to take responsibility for the working conditions in their global supply chains and ensure that the rights of the mainly female workers making their products are respected.

The campaign is coordinated by the TUC and Labour Behind the Label and supported by over 20 trade unions and campaigning organisations.

Dear **HERBERT HAINER**, CEO Adidas

As London 2012 fast approaches, I call on you to take action to ensure that the rights of workers in *all* your supply chains are respected – enabling them to live and work in dignity.

Please:

- ✓ **PAY A LIVING WAGE**
- ✓ **ENSURE WORKERS HAVE JOB SECURITY**
- ✓ **TAKE A POSITIVE APPROACH TO TRADE UNION RIGHTS**

Name:

Town & Postcode:

Signed:

These cards will be collected and sent on by the TUC, so please fill in and return to Playfair 2012, Congress House, Great Russell Street, London WC1B 3LS
